

IB CAPITAL LP. ADDITIONAL RISK DISCLOSURE

Additional risk disclosure document"

The information on your account application indicates that you do not meet IB CAPITAL LP. guidelines for a margined spot foreign currency account. One or more of the following reason(s) is/are cited:

- » You are not between 18 and 65 years old
- » You do not have at least 6 months of futures, securities, precious metals or foreign exchange investment or trading experience.
- » Your annual income is less than 25,000 Euro or US Dollar
- » Your risk capital is greater than 25% of your net worth.
- » You are using retirement funds for trading capital.

Although the reason(s) cited above do not preclude you from opening an account, the following risk disclosure document must be read, understood and signed in order for you to open an account with IB CAPITAL LP.

Risk disclosure"

Based on your personal information and/or investment experience, trading in margined foreign exchange might be too risky of an investment product for you. Because of the high degree of leverage obtainable in trading margined foreign exchange with IB CAPITAL LP., the loss in trading spot foreign currencies can be substantial with the possibility that you could lose more than your initial investment. You should therefore carefully consider whether such trading is suitable for you in light of your circumstances and financial resources.

Acknowledgement.

I understand that I do not meet the minimum guidelines to open an account as set forth by IB CAPITAL LP. However, I have considered the financial risks involved in trading margined foreign exchange trading with regard to my personal situation, and I wish to proceed with opening an account.
